The final deception may be related to who has the authority to determine which day is the day of rest for the common good, against who ordained the 4th Commandment.

That authority is linked to the Sabbath, the seal of Yehovah's Authority

The seal of the antichrist's authority is linked to the sunday.

When do you know the antichrist is not Yeshua

- If you are still walking around with aches in your body, Yeshua is not here
- if the antichrist is negotiating with heads of state, he is not Yeshua
- If the antichrist is claiming credit for miracles, he is not Yeshua
 - Yeshua never boasts about his miracles, He even urged people not to talk about them
- If the antichrist is visiting the future temple, he is not Yeshua
- If the antichrist claims to have resurrected people you are talking to demons, he is not Yeshua (2Cor11:3-15)
- If the kingdoms of the world are still in place, Yeshua is not here
- if the press is still spreading deceptions, Yeshua is not here
- when the antichrist declares the sunday to be the the day of rest, Yeshua is not here
- when he brings the Jews, the Muslims and the Christians together, you know he is the antichrist
- when the antichrist appears, he will walk the earth, Yeshua will not, **He will meet us in the sky**
