The Seven Churches, Seals and Trumpets spans 2000 years of history, in sequence

The Seven Angels come out of the Temple of the Testimony **at the same time**

The Seven Bowls will happen in parallel and cumulative, in app. 15 days, from the day of Trumpets (1<sup>st</sup> of Tisri) and the first day of the Feast of Tabernacles (15<sup>th</sup> of Tisri), where Babylon is destroyed in one hour (360/24, Rev 18:17).

The Saints will be called by the last Trumpet, to be raptured in the Huppah for 7 days: Rev 8:1, when there is silence in heaven for about half an hour. His Bride will return to earth for the millennium reign on the first day of the Feast of Tabernacles.

Plagues are God treating mankind with the consequences of our choices: darkness, sun worship, killing saints, taking the Mark
